13.8. Upon termination or expiry, the Parties shall continue to work together in good faith to conclude any outstanding administrative, audit or other Apprentice requirements that may exist prior to the commencement of the following Academic Year to ensure Apprentices are able to continue with or start new Apprenticeships with the Supplier or any other third party. For the avoidance of doubt any actions required to conclude any outstanding administrative, audit or other requirements shall be considered a consequence of termination of the Contract and shall not constitute a new agreement between the Parties.

14. Cancellations

14.1. The Supplier reserves the right, at its discretion, to change course schedules, composition and content, in which case it shall notify the Customer at the earliest possible opportunity and ensure that it does not negatively affect the Apprentice's ability to complete their Apprenticeship.

15. Safety and Safeguarding

15.1. Each party shall:

15.1.1. carry out its responsibilities under all relevant legislation, regulations and formal guidance for the protection of children and vulnerable adults including the Safeguarding Legislation;

15.1.2. acknowledge that it has a duty of care to ensure that there are adequate safeguarding processes and checks in place, particularly for those Apprentices aged 18 and under; and

15.1.3. make every effort to assure and promote the safeguarding of Apprentices during their employment and to comply with the Supplier's Safeguarding Policy Statement. A copy of the full policy can be downloaded from our website: <https://www.qa.com/legal-privacy/>

15.2. The parties shall perform their obligations under the Contract in accordance with:

15.2.1. all Applicable Law regarding health and safety; and

15.2.2. the health and safety policy of the other party whilst at the other party's premises (to the extent it has been made known by one party to the other party).

15.3. Each Party shall notify the other as soon as practicable of any health and safety incidents or material health and safety hazards at either party's premises of which it becomes aware and which relate to an Apprentice. Each party shall adopt any necessary associated safety measures in order to manage any such material health and safety hazards.

15.4. The Customer shall maintain a full record of all incidents relating to health, safety and security relating to Apprentices and shall make such records available to the Supplier on reasonable notice and the Customer shall immediately inform the Supplier of the death of any Apprentice.

16. Withdrawals

16.1. The Customer acknowledges and agrees that Charges withdrawn from the Customer's apprenticeship service account by the Supplier may not necessarily reflect services provided by the Supplier in the relevant period because Charges are paid to the Supplier in equal monthly instalments according to the planned duration of the Apprenticeship, regardless of the proportion of services delivered in the applicable period. By way of example, the Customer and Apprentice may seek to complete a larger proportion of off-the-job training at the start of the Apprenticeship Period and in this instance the Supplier will be paid for such services over the duration of the Apprenticeship Period rather than when training is delivered.

16.2. In the event of a Withdrawal the Supplier will no longer be entitled to withdraw Charges from the Customer's apprenticeship service account and, due to the circumstances detailed in Condition 16.1, would not be entitled to recover Charges from the apprenticeship service account for services which have already been provided by the Supplier prior to the Withdrawal and in this instance the Supplier shall be entitled to recover directly from the Customer and the Customer agrees to pay an amount equal to the value of any services provided under the Contract prior to a Withdrawal which the Supplier is unable to recover from the Customer's apprenticeship service account.

17. Complaints

17.1. The Supplier's complaints procedure is outlined here: <https://www.qa.com/legal-privacy/>.

18. Data Protection

18.1. The Data Protection and Information Security Addendum available at <https://www.qa.com/legal-privacy/> is incorporated into these Terms. Terms

defined in this Condition 18 shall have the meaning given to them in the Data Protection Addendum.

18.2. The Customer shall be a Data Controller where it is Processing Personal Data for the purpose of its relationship with each Apprentice as his or her employer.

18.3. The Supplier shall be a Data Controller where it is Processing Personal Data for the purpose of its role as the provider of Apprenticeships to each Apprentice and delivering education and training to Apprentices.

18.4. The Parties do not anticipate that either will act as a Data Processor on behalf of the other Party and neither Party is authorised or instructed to act as a Data Processor on behalf of each other.

18.5. The Parties will not act as joint Data Controllers in common.

19. Variation

20. The Supplier reserves the right to modify these Terms to the extent that such changes are required due to changes in the Funding Rules. Any revisions will be made available at: <https://www.qa.com/legal-privacy/>
