

Before your Journey Starts

Application

- Fill out your application, your details are sent to our Onboarding team to start your journey onto your chosen pathway

Eligibility

- QA will check your eligibility to enrol you onto your chosen programme.
- Our Onboarding team will process your application behind the scenes (they may reach out to you for additional information to support with this)

*Look out for emails from onboarding@qa.com as we support you on your journey!

Choose Your Pathway

Phase 1 : Essential Skills stage

- Start your journey by choosing your personalised pathway in the Essential Skills Stage.
- This phase is designed to provide you with the core knowledge and practical skills you will need
- During this stage, you will also earn industry-recognized vendor qualifications in your chosen field

1

Phase 2: Extend Your Learning Journey

- Eligible learners will continue their studies in the UK.
- TCS, in collaboration with you and your manager will start the visa extension process.

2

Phase 3: Advanced Learning – Mastering Your Skills

- As you progress through this phase, you'll deepen your understanding of key concepts, apply them in real-world projects, and gain the expertise needed to excel in your chosen field.

3

Phase 4: Achieve Your Degree & Certification

- In Phase 4, you will reach the final stretch of your Journey, completing your Degree and earning industry-recognized vendor certifications.

4
